HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Industry endorsed

TAFE at Schools

Completing this course while you are at school can lead to a range of career opportunities in the electrical, or electronics industries. Learn how to safely solve problems in extra-low voltage single-path and multiple-path DC circuits, identify and select materials for electrotechnology work activities, participate in environmentally sustainable work practices, use equipment / plant / technologies, and dismantle, assemble and fabricate electrotechnology components. This course also covers a General Safety Induction course (White Card) – an industry requirement to work on Queensland construction

LOCATION/S
Acacia Ridge, Alexandra Hills, Bracken Ridge, Eagle Farm

DURATION
Part time: 1 year / 1 day per week
