Kick start your future with a pre-apprenticeship

For a limited time, this course has State Government funding available. Conditions Apply. Call us for more details - 1800 654 447.

Completing this pre-apprenticeship course can lead to a range of career opportunities in the electrical, or electronics industries. Learn how to safely solve problems in extra-low voltage single-path and multiple-path DC circuits, identify and select materials for electrotechnology work activities, participate in environmentally sustainable work practices, use equipment / plant / technologies,

This is the total cost of the course for students who do not qualify for a subsidy, or the course does not receive any subsidy.

Got a question?

Enquire about your full fee study options

The Queensland Government will offset the cost of study for eligible students. You will still need to pay for a portion of your study costs. The amount above is what you will need to pay.

You are eligible for the concession price of a course if you meet the eligibility requirements under the subsided costing and:

- hold or are listed on an Australian Government Low Income Health Care Card or Pensioner Concession Card
- are Aboriginal or Torres Strait Islander
- have a disability.

You will need to provide evidence at the time of enrolment.

Outcome
On successful completion of this course you receive UEE22011 - Certificate II in Electrotechnology (Career Start) qualification.

Job prospects
- Apprenticeship - Air Conditioning and Refrigeration Mechanic
- Apprenticeship - Electrical Contractor
- Apprenticeship - Electrical Fitter

Units
The successful achievement of this course requires you to complete all mandatory and elective units from the list below. These units form part of UEE22011 - Certificate II in Electrotechnology (Career Start).

Electives may differ between TAFE Queensland locations and regions.
Units may vary between campuses.

Acacia Ridge training centre

ARE YOU READY TO TAKE THE NEXT STEP ON YOUR PATH TO GREAT?
Enrol today to secure your spot in this course.

HOW TO ENROL
Enrol now

- meet the entry requirements (under the course details tab)
- checked the important dates (under the course details tab)
- checked the course costs and know which payment option is right for you (under the costs tab)
- Read the Student Rules and Withdrawals and Refund Policy
- Created your Unique Student Identifier and can provide this code to TAFE Queensland

To assist students with their career and educational goals, TAFE Queensland SkillsTech offers a range of support services, including Literacy, Numeracy, Tutorials & in-class support. If you would like further information or to make an appointment please phone 1800 782 000.
