

AUTOMOTIVE Trade Career Pathways

TAFE Queensland SkillsTech deliver industry-relevant automotive training using the latest technology. You will learn how to service and repair mechanical parts of vehicles including engines, transmissions and suspension systems. If the open water is more your passion, take on an apprenticeship as a marine mechanic.

AUTOMOTIVE ELECTRICAL

Certificate II		CAREER OPTIONS	
AUR20716	Automotive Vocational Preparation>	Trade Assistant
AUR20416	Automotive Electrical Technology>	Light Vehicle Mechanical Technician
AUR20216	Automotive Air Conditioning Technology>	Air Conditioning Serviceperson
Certificate III			
AUR30316	Automotive Electrical Technology>	Automotive Electrician

AUTOMOTIVE ENGINE RECONDITIONING

Certificate II		CAREER OPTIONS	
AUR20716	Automotive Vocational Preparation>	Trade Assistant
Certificate III			
AUR31316	Automotive Engine Reconditioning>	Automotive Engine Reconditioner

AUTOMOTIVE MARINE

Certificate II		CAREER OPTIONS	
AUR20716	Automotive Vocational Preparation>	Trade Assistant
Certificate III			
AUR30516	Marine Mechanical Technology>	Marine Mechanic

AUTOMOTIVE MECHANICAL

Certificate II		CAREER OPTIONS	
AUR20516	Automotive Servicing Technology>	Automotive Serviceperson
AUR20716	Automotive Vocational Preparation>	Trade Assistant
AUR21916	Automotive Tyre Servicing Technology>	Tyre Fitter
AUR20216	Automotive Air Conditioning Technology>	Air Conditioning Serviceperson
AUR21516	Automotive Cylinder Head Reconditioning (Light Vehicle)>	Automotive Mechanic
Certificate III			
AUR30616	Light Vehicle Mechanical Technology>	Light Vehicle Automotive Technician

BICYCLES

Certificate II		CAREER OPTIONS	
AUR20316	Bicycle Mechanical Technology>	Bicycle Service Technician
Certificate III			
AUR30216	Bicycle Workshop Operations>	Bicycle Mechanic

HEAVY DIESEL/ROAD TRANSPORT

Certificate II		CAREER OPTIONS	
AUR20716	Automotive Vocational Preparation>	Trade Assistant
AUR20516	Automotive Servicing Technology>	Automotive Serviceperson
AUR21516	Automotive Cylinder Head Reconditioning (Heavy Vehicle)>	Heavy Vehicle Mechanic
AUR21916	Automotive Tyre Servicing Technology (Heavy Vehicle)>	Tyre Fitter (Heavy Vehicle)
Certificate III			
AUM30213	Automotive Manufacturing Technical Operations (Bus, Truck and Trailer)>	Automotive Manufacturing Technician, Vehicle Body Builder Technician
AUR31516	Automotive Diesel Engine Technology>	Diesel Engine Technician
AUR31416	Automotive Diesel Fuel Technology>	Automotive Heavy Vehicle Diesel Fuel Technician
AUR31616	Automotive Drivetrain Technology>	Automotive Heavy Vehicle Repair Technician
AUR31716	Forklift Technology>	Automotive Forklift Repair Technician, Automotive Forklift Mechanic
AUR31116	Heavy Commercial Vehicle Mechanical Technology>	Heavy Commercial Vehicle Technician
AUR31816	Heavy Commercial Trailer Technology>	Heavy Commercial Trailer Technician
AUR31916	Elevating Work Platform Technology>	Elevating Work Platform Technician
AUR31216	Mobile Plant Technology>	Mobile Plant Technician
MEM30205	Engineering - Mechanical Trade (Diesel fitting)>	Diesel fitter

OUTDOOR POWER EQUIPMENT

Certificate II		CAREER OPTIONS	
AUR20716	Automotive Vocational Preparation>	Trade Assistant
Certificate III			
AUR30716	Outdoor Power Equipment Technology>	Outdoor Power Equipment Technician, Repair Technician
